This is Google Classroom.

First you need to accept the terms and conditions.

It will pop up with your child's name. Click on it.

It will ask if you are a student or a teacher – click student.

It will bring you to a page where it has a box in the left hand corner with the class name on it.

Click on the class name.

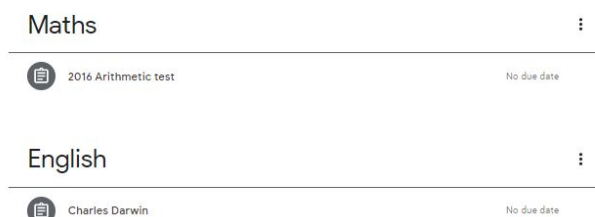

You are now taken to the 'Stream page'. Here you can see any work that has been set or any comments made by anyone in the class.

Click on classwork.

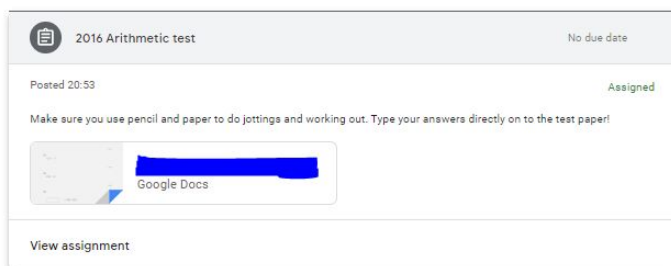

This directs you to the page where the tasks set by the teachers are located.

Click on the work you wish to do.

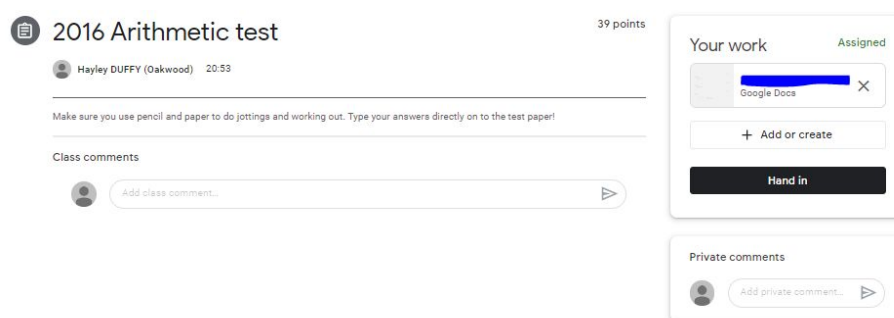

Here you are able to view the assignment and any instructions the teacher has provided.

Click on view assignment.

You will be taken to a similar page.

Next, click on the assignment under the heading 'Your Work'. You are then taken to the task.

You are able to type in your answers directly onto the document.

Once you have completed the task, click on turn in.

Now your work has been submitted to your teacher and you now wait for them to mark it.
